Question: What other comments, if any, do you have about this course?

Response

This class is not useful for Jazz Studies Majors. Mr. Olson moves way to fast for non-MPRT majors. The equipment in the Mac lab needs to work properly in order for the class to work.

Question: What other comments, if any, do you have about this course?

Response

the course work did not reflect the title of the class. Should focus more on the bigger picture, and not just one aspect of the subject matter.
