

Genes and Machines

Wednesday March 21

Samchillian Instrument and Software:
Leon Gruenbaum will be presenting his innovative “Instrument of Relativity” and accompanying software at this free event. Learn about its intervallic note triggering (instead of fixed pitch), microtonal scale capabilities, facilitation of agile and dexterous playing, and more.

What: Presentation/Lecture*
When: Wednesday, March 21, 2012
Where: Ruebush 132
Time: 5:00-7:00PM

* performance in Armstrong Concert Hall at 3PM
